Besides this, huge effluent water is flowing through the water bodies at various places of this constituency as majority of the Industries are in existing, which needs Irrigation Engineers inspection to arrive the opinion also. Considering the need of specific Section officers i.e. AE/AEE, 2 Nos of Special Sections have been formed during 1997/1998 in the names of Special Section Etcherla and Special Section, G.Sigadam and diverted the services of other section offices working under this Circle. 4. The Engineer-in-Chief (Admin) has further stated that the above proposal is examined and the same is acceptable as there is no financial implication involved in creating Irrigation Section, Etcherla by detaching S.I Section No.3 from S.I Sub Division, Parvathipuram under S.I Division, Srikakulam and attach the same to the Irrigation Sub-

Division, Srikakulam of Irrigation Division, Srikakulam duly redesignating as Irrigation Section, Etcherla with head quarters @ Etcherla.
